

United Dance Audition Results 2016-2017

Thank you to everyone who came out to auditions and did their best! We hope to see you again next year.

Attention 12 year olds: Please check the junior and senior teams for each discipline to see where you have been placed if you made a team.

Attention students who tried out for junior hip hop: The students with scores high enough to make a hip hop team this year have been divided into a junior and petite team. Please check both locations for your code.
